

FEATURES

AT HOME ON THE WATER

- Welcome home to a boutique collection of waterfront apartment residences in a scenic riverside community nestled between a golf course and a yacht club
- Pilothouse makes a strong first impression with classic East Coast Hamptons inspired architecture including pitched roofs, stone accents, shingle siding and glass balconies featuring white criss-cross detailing
- Connect to nature in this refreshing marine setting complete with Pilothouse's own lush landscaping and beautiful shared outdoor seating area with fireplace, wood trellises and direct access to the 16 km waterfront Millennium Trail
- Come home to an elegant hotel-style lobby with raised ceilings and designer-selected furnishings
- Discover country club living at the spectacular residents-only Hampton Club featuring over 12,000 sq. ft. of resort-style amenities

CHIC AND CONTEMPORARY INTERIORS

- Come home to an overheight front door with custom address plaque
- Rich engineered hardwood flooring throughout main living area sets the tone for sophisticated design
- Enjoy the airy, elegant feel of overheight ceilings, including ten foot ceilings in main living areas (higher in some homes)
- Plush carpeting in bedrooms puts comfort at your feet
- Classic easy-to-maintain porcelain tile flooring in bathrooms and laundry room
- Homes come in two professionally selected interior colour schemes: Moonlight or Sunlight

- Enjoy outdoor living on your own spacious deck or patio, many of which have stunning river and nature views
- Oversized sliding glass doors in the Shore series homes open up to create a seamless flow between indoor and outdoor living
- Low-E windows improve energy efficiency and protect interiors against UV light
- Keep cool in the warmer months with a heat pump air-conditioning system

ELEGANT AND EFFICIENT KITCHENS

- Large central island with overhang, built-in shelving and a USB adapter is a natural gathering spot for family and friends
- Enjoy custom-designed cabinetry with rift cut oak and reverse shaker doors matched with polished chrome hardware
- Gleaming engineered stone countertops and polished marble tile backsplash complete the stunning kitchen design
- Smart storage solutions include pull-out pantry drawers, a Lazy Susan (some homes), and a convenient built-in recycling station
- Soft-closing hardware on all cabinet doors and drawers
- Warm engineered hardwood flooring complements cabinetry and is durable and easy to maintain
- Light up your work area with both under-cabinet lighting and recessed pot lighting
- Prep and clean-up are a breeze with an undermount stainless steel double sink and a designer single-lever low-flow faucet with a pull-out vegetable spray with flex line
