FEATURES

DOUGLAS COTTAGE SERIES

DISTINCTIVE HOMES

- Nestled between Whistler and Vancouver in beautiful Squamish, this striking collection of two-bedroom cottages are designed for those who love spending time in the outdoors
- Enjoy being surrounded by nature, with a 90-acre ecological reserve and a 3-acre community park as your neighbours
- Explore walking and biking trails just steps away from home, connecting you to Squamish's extensive trail network
- Highline makes a strong first impression with modern mountain-inspired architecture featuring sharply pitched rooflines and black-framed windows, accented by natural wood timbers, a rich siding palette and engineered stone
- Expansive windows fill homes with natural light and provide stunning mountain and valley views (most homes)
- Entertain on your patio and enjoy outdoor living in your own yard
- Grand entry monuments greet you as you enter the community

IMPRESSIVE INTERIORS

- A metal front-entry door, illuminated address plaque, decorative rain chain and doorbell, modern LED lighting and black hardware welcome you home
- Nine-foot ceilings in main living areas and in the main bedroom create an airy, elegant feeling

- Rich laminate wood flooring runs in the entryway, kitchen and living/dining areas
- Plush carpeting in bedrooms puts warmth and comfort at your feet
- Homes are outfitted in one of two designer-selected colour schemes: Dawn or Dusk
- Create a comfortable environment with electric baseboard heating and individually controlled thermostats
- An attic with pull down ladder and bike storage room provide space to store all your outdoor adventure gear
